SKF ABS Sensor Cords

Each SKF sensor cord is packaged with detailed instructions, sensor cord and grease pack.

SKF now offers a comprehensive line of ABS sensor cords to complement its complete product offerings.

SKF ABS sensor cords are available for GM, Ford and Dodge light and heavy truck applications. The sensor cords are precisely engineered to OEM specifications to meet the demands of today's ever changing road conditions. Additionally, the ABS cords provide a cost saving alternative to a complete hub assembly replacement.

If your ABS sensor cord is damaged or malfunctioning, look to SKF to provide a reliable solution.
